## Explore the Foreshore in Chelsea Walk by Leading Thames Archaeologist Dr Fiona Haughey

Monday 19 September 2016

Please assemble by 11.15 am at Chelsea Old Church, Old Church Street

After the huge success of the Guided Walk last year we have managed to persuade Dr Fiona Haughey to return and take another group on one of her fascinating Walks.

Come and join us for a rare opportunity to gain access to the inter-tidal zone and to hear more about our local heritage. Explore the thousands of years of history which lie below your feet and discover the archaeological treasures that the Chelsea foreshore has revealed.

This Guided Walk will involve difficult walking conditions and uneven surfaces. Wellington boots or stout shoes should be worn. This Walk is not suitable for children.

The cost of the Guided Walk is £15.00, access is strictly by ticket only
